

THE 5-MINUTE SCRAP TRACKER

Scrap is expensive but often hides in plain sight. This tracker makes it easy for supervisors or leads to spot patterns and start conversations about what's really driving waste on the floor.

Shift Info

Date: _____

Shift: [] 1st [] 2nd [] 3rd

Team / Line: _____

Scrap Log Table

Time	Scrap Type	Source Step	Est. Quantity	Root Cause (Guess)	Preventable? (Y/N)	Action Taken
